WE'LL LET YOU KNOW WHEN
POSITIONS ARE OPEN.

The Horizon Air summer internship program will give high school students the opportunity to see the day-to-day operation of the Maintenance & Engineering and Flight Operations divisions at Horizon Air.

Interns will get real-world, hands-on aviation experience while participating in various events in the greater Seattle area.
All interns will be paid.

INTERNSHIP REQUIREMENTS

- Currently or previously enrolled in any of the CKSD Aviation Program courses (e.g., MS ACE, HS Ground School, HS Drones)
- Must be a current high school junior
- Able to commit to entire 90-hour program from July 29 to August 15, 2024
- Able to secure daily transportation to and from the SeaTac and/or Paine Field airports
- Minimum age of 16 by June 1, 2024
- Must be authorized to work in the US
- Parent or guardian permission to participate in the program
